Washington, D.C. 20463

Gentlemen:

Please find enclosed a Statement of Organization which amends the original Statement of Organization filed for the Ewing for Congress Committee. In this amendment, we are initiating a new name for the committee and designating a new custodian of the records, treasurer, and designated agent. As your records may show, I retired from active service in the Congress on January 2, 2001. The funds remaining in my campaign committee have been used for political purposes and contributions to qualified candidates. It is my belief that the Ewing for Congress name is inappropriate considering my change in status.

I hope that these changes can be made effective the first of January, 2002. If you have any questions, I would appreciate your contacting me.

Sincerely,

THOMAS W. EWING
